

NCR Accuview Order Confirmation Board

Quick-Service Restaurants

Want to improve order accuracy and speed-of-service with an eye-catching order confirmation board?

YES

Graphic displays decrease order errors and grow product sales

NCR Accuview Order Confirmation Board (OCB) helps quick-service restaurant managers and owners improve order accuracy and speed-of-service, while up-selling and cross-selling customers on related menu items. Meanwhile, customers value the solution's graphic displays, product suggestions and running totals. Benefits include:

- **Improving order accuracy**

Provide customers with a running total of items they've ordered and their prices to ensure order accuracy. Decreasing costly drive-thru errors strengthens restaurant margins.

- **Accelerating speed-of-service**

Drive-thru customers expect rapid service. Keep lines moving with an OCB solution that displays pictures of food items, offers related suggestions and provides a dollar total for each order.

- **Driving product sales with customized marketing**

Provide customers with new promotions or cross-sell and up-sell messages at the point of purchase. Targeted marketing can increase average check size, enhancing customer profitability.

- **Keeping product offers relevant with dayparting**

Automatically switch images with each daypart that you designate, keeping your message fresh and relevant. Tempt customers with breakfast, lunch, dinner and late-night offers that meet their needs.

- **Enhancing customer satisfaction**

Provide customers with easy-to-use, visual drive-thru services that streamline food selection and payment. The NCR Accuview Order Confirmation Board helps customers make fast decisions – so that they can get on their way.
