

POS as a SERVICE

It just Makes Sense

Introducing a new model

for buying and maintaining your point of sale. Instead of buying a system upfront, make all-inclusive monthly payments and benefit from the low initial investment. Achieve peace of mind, freedom and flexibility with NCR Aloha POS as a Service – managing technology has never been so easy.

NCR Aloha POS as a Service offers:

- Industry leading POS used by thousands of restaurants everywhere
- Keep your technology up to date – get new hardware every five years
- Predictable monthly fee – easily budget for expenses without fluctuations
- Flexible program – easily add or remove products to modify your solution

Low monthly payments

No hidden fees

Superior service

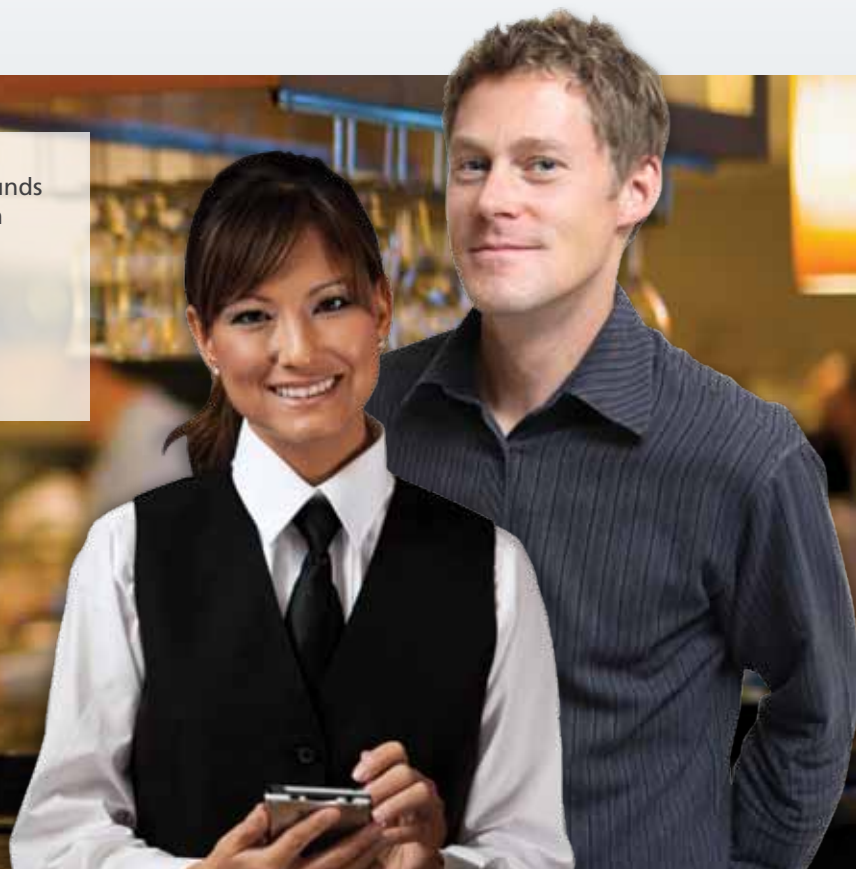

No contract period

“The low upfront capital investment allowed us to use the funds to make tenant improvements. We love that we can focus on managing our restaurant, not technology.”

Mary Ann Lane
Owner of The Grill
San Francisco, CA

“With POS as a Service, we were able to get the NCR Aloha solution at a low monthly fee. It’s great knowing that we’ll get new terminals and servers in five years so that our technology will never be obsolete!”

Jimmy Rongos
Owner of Ziano’s Italian Eatery
Fort Wayne, IN
